

# Wembley Primary School

In our second Parent Forum meeting....

*You  
said...*

*We  
did...*

The school needs to have class representatives so that parents who cannot attend forum meetings have someone they can talk to.

We have put a list of class representatives on the website, around the school and a suggestion box has been placed in the main reception, RW, 1W, 2W & 3W

You would like a say on the style of photos that are taken for both individual and end of year photos and see what other companies are offering.

We asked 3 photo companies to come and pitch their products to the parent forum. The parents chose Kittle Photographics for their great photos styles and their value for money.

You would like to review the school lunches and see what other meals could be offered to your children.

We have asked Chartwells who provide our school lunches to attend the next parent forum meeting so that parents can review school lunches.
